

Car give-away aims at drug-free prom night

The Grayling High School Junior-Senior Prom has a new approach this year to keep students at the Prom. The focus of this new approach is a car that will be given away at 1 a.m. to encourage students to remain at the Prom. This car was donated by Kalkaska Ford.

Area businesses have donated money and gifts which will be given

away every 1/2 hour during the Prom. To be a winner of the car or other gifts you must be a Junior or Senior at Grayling High School and you must be present to win.

Grayling High School will also have available a contract that can be signed by parents and students in regards to having a drug and alcohol free Prom night.

County considering \$228,000 I.B.M. computer system

By Lori Swarthout

County commissioners heard from representatives of I.B.M. at their regular May 6th meeting in their efforts to plan for the county's present and future computer needs.

I.B.M. representatives recommended the A.S. 400 as reliable computer hardware adequate for the

county's mainframe computer needs.

Their recommendation included fourteen computer work stations, and three software packages, one for the prosecutor's office, one for the district court and one for the circuit court.

This mainframe system is capable of accepting additional software as needed, in particular for the Sheriff's

department and probate court. I.B.M. stated that they would look at adapting their jail management system to meet Crawford County's needs and would be able to add probate court to the mainframe system as required. Additional workstations could also be tied in to the computer, from anywhere in the county.

I.B.M. concluded its presentation by stating that the \$228,000 price of their package could be spread out over a period of five years. Commissioners were invited to Cheboygan where a

similar system has just been put on line and is running successfully.

While still considering the I.B.M. system, commissioners have authorized going ahead with the prosecuting attorney's package offered by the Prosecuting Attorneys' Association of Michigan. This system allows the local prosecutor's office to interface with all other local prosecutors and the attorney general. The only cost for this program is \$1,300, basically to update the prosecutor's current hardware with a compatible printer.

OTHER COUNTY BUSINESS

In other action, Sheriff Hatfield's request for \$1,200 to repair the department's Bronco was tabled until a full assessment of all the department's transportation needs could be made.

Commissioner Riley offered to pick up discounted office supplies in Grand Rapids in exchange for mileage; commissioners will take action on this offer after conferring with the county prosecutor. Northflight E.M.S.'s request to bill the county directly at discounted rates for transportation of

jail inmates will be sent to the prosecutor for review and recommendation.

Discussion on a millage proposal for a new jail facility was deferred until Northstar Management and Consulting completes its studies of the county's jail needs.

911 USER FEE
Finally, a public hearing was held July 29th in conjunction with Roscommon County, regarding a 911 user tax. Commissioner Riley was asked to coordinate details with Roscommon County.

Digging into the past of Crawford County

By Barb Sands

Eldorado, Pere Cheney, DeWard . . . most Crawford County residents recognize these names as local historic sites. According to Dan Little, President of the High Plains Chapter of the Michigan Archaeological Society, there are any number of other historic or prehistoric sites located in Crawford County which either remain undiscovered or are not officially recorded with the State of Michigan.

The High Plains Chapter of the Michigan Archaeological Society has fifteen members who obtain and record information concerning archaeological sites and artifacts in the High Plains of northern lower Michigan. The High Plains area, which was geographically formed during the Ice Age, includes

Clare, Crawford, Missaukee, Ogemaw, Otsego, Oscoda, and Roscommon counties. "It is an archaeologically distinct area, both historically and prehistorically," Little said.

Little's interest in the past began when he was about five years old. "My grandfather was a farmer and there was a substantial occupation site on his farm," Little said.

As a child Little was fascinated with the past but didn't develop an interest in archaeology until four years ago when a friend introduced him to a chapter of the Michigan Archaeological Society in Kalamazoo.

"I didn't know a thing about archaeology so I attended workshops and annual meetings. I just wanted to

Hartwick Pines lumber museum, exhibits open at state park

What do "Bull-of-the-Woods," corked boots, rafting pins, big wheels, stump fields, pancakes, and crosscut saws have in common? They all relate to Michigan's "White Pine Lumber Era," 1840 to 1910 and are celebrated in the Hartwick Pines Lumbering Museum, which is open for the season.

The Lumbering Museum, operated by the Michigan Department of State's Bureau of History, is located within Hartwick Pines State Park near Grayling. From Interstate 75 take Exit 259, and travel seven miles northeast on Michigan Route 93.

Through logging equipment, old photographs and artifacts relating to the daily lives of the loggers who harvested over 160 billion board feet of native pines, museum exhibits depict the growth of Michigan's lumber industry. Michigan pine built houses, furniture, barrels, and thousands of other products that kept the state's economy humming.

A foot trail takes visitors through the woods at Hartwick Pines to a reconstructed lumber camp built by the Civilian Conservation Corps in 1934. The log cabins and buildings exhibit full-scale depictions of a bunkhouse, mess hall, blacksmith shop, and camp store. Also on exhibit are a set of big wheels for hauling logs and a sprinkler sled for making ice roads in winter.

The foot trail passes the "Monarch" pine, estimated to be more than 300 years old. During special events, July 18-19, August 22-23, and September 25-27, a large steam-powered sawmill is in operation.

The Hartwick Pines Lumbering Museum is a Department of State

human history project administered in cooperation with the Department of Natural Resources. Hartwick Pines is the largest state park in lower Michigan.

Exhibit buildings are open 8 a.m. to 4:30 p.m. April, May, September, and October, and 8 a.m. to 7 p.m. from

June to Labor Day. Although there is no charge to enter the Lumbering Museum, a state park permit is required to enter Hartwick Pines State Park. The permit is \$15 for a yearly pass, \$3.50 for a daily, and \$3.75 for a yearly senior citizen pass. For more information telephone (517) 348-7068.

Police Officers Honored May 15

All past and present police officers will be honored in a ceremony at 2 p.m. Friday, May 15, at the Crawford County Sheriff Department.

In addition to police officers, reserve units and wives of officers will also be honored at the brief 20-minute ceremony.

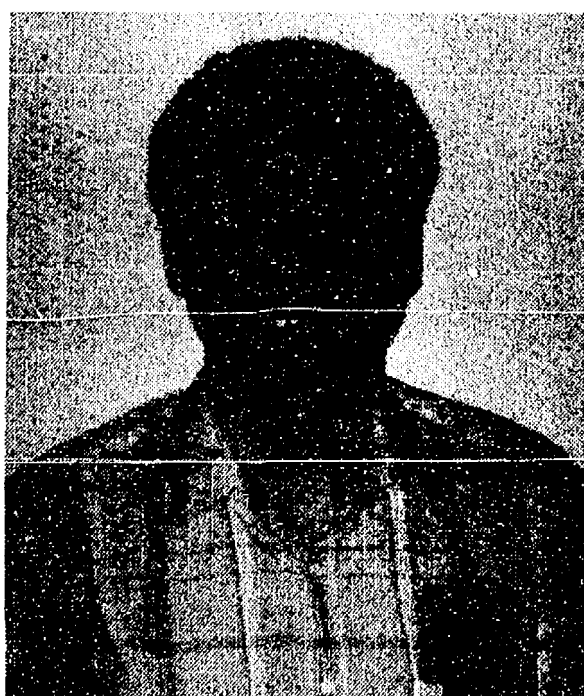

Terry Eddy, a retired state trooper, will be the guest speaker.

A proclamation will be read, taps will be played, and a firing squad will salute the flag.

All police officers from counties north of Clare County have been invited. Any other police officers, such as retired officers who have moved into the area, have an open invitation to attend. The Crawford County Sheriff Dept. also urges the public to attend.

Grass fire destroys 2 1/2 acres of forest

By Lori Swarthout

Two nine year old boys from Roscommon County may be responsible for starting a fire that destroyed over two acres of forest in South Branch Township Saturday morning, May 9th.

Crawford County Dispatch received a report of a grass fire in the Indian Glens subdivision located near West Pioneer and Stephan Bridge road around 10:30 a.m. Firefighters from the D.N.R.'s Roscommon Field Office, Beaver Creek Fire

Department, and Crawford County Deputies responded to the scene and brought the blaze under control in approximately 1 hour. The fire destroyed two and a half acres of forest and came within two feet of one structure and very close to several others.

The two boys from Roscommon were found to have been playing with matches and cigarettes when the fire started. They have been turned over to their parents while a full investigation is being conducted.

March of Dimes maintains neutrality on abortion

The recent letter from Ms. Blaauw (*Avalanche* 4/30/92) commended the work of the March of Dimes Birth Defects Foundation, but came out against the organization's policy on abortion. While we appreciate Ms. Blaauw's support of our work, she is mistaken in her understanding of March of Dimes policies regarding abortion and amniocentesis.

For the record, I would like to share with your readers the March of Dimes position on this issue: the March of Dimes maintains neutrality on the issue of abortion and this policy is reflected throughout the organizations many programs to prevent birth defects. The March of Dimes does not take part in the public policy or legislative debates regarding abortion. The March of Dimes prohibits the use of grant monies for performing or recommending abortion; violation is grounds for immediate cancellation of a grant.

Ms. Blaauw also criticized the March of Dimes support of amniocentesis. Amniocentesis — prenatal diagnosis — makes it possible to take positive action before birth to correct certain birth defects. For example, biotin-dependence and methylmalonic acidemia — two life-threatening, inherited, metabolic defects have been successfully detected by amniocentesis and treated in the womb. Several other defects, including abnormalities in heart rhythm, can also be detected before birth and treated pre-natally, without surgery. Such life-saving prenatal therapy is impossible without prenatal diagnosis.

And, finally, the March of Dimes enjoys a good working relationship with representatives of Catholic laity and clergy, from schools and hospitals nationwide to the foundation's own Bioethics Committee, which includes both a Catholic Bishop and the Director of Georgetown University's Center for Bioethics.

Let's Talk About It

By Joe Murphy

It seems good to see our town springing to new life, streets you could have fired a cannon down without touching a soul a short time ago are becoming busy once more. Soon the troops will be here for training and some will manage to visit our town for a little shopping and R and R. Though there is that element that would like to see Camp Grayling closed I know the vast majority welcome them here. I suppose that Wurtsmith Air Base at Oscoda also had its critics who are now wondering how they will make a living with it gone. Even the reduction of the National Guard as is now planned will have a very adverse effect on the economy of this entire area. Any cuts in the number of troops using the camp also means a cut in the people employed there. If there is one thing Crawford County doesn't need it is a loss of the better jobs in the area.

I read an article in *Early American Life* magazine that told of the year 1816 that was known as the year there was no summer. A volcanic eruption in Mt. Tamora located on the island of Sumbawa in Indonesia is said to have spewed twenty-five cubic miles of debris into the atmosphere. This was the worst eruption in over 10,000 years and its roar was heard 900 miles away. It killed over 90,000 people both on the island and by tidal wave as far as a thousand miles away. The eruption occurred in April of 1815 while most

of the debris fell back as volcanic rocks and ash, some remained aloft in the stratosphere. This caused the New England states to have a very cold summer in 1816. There was snow killing frost every month of that year. It also caused a drought which made raising food impossible. Fires raged over the dry land and the settlers feared starvation and many who managed to survive the following winter started the surge westward by those seeking the land of plenty. In Maine it was remembered as Eighteen Hundred And Froze To Death. Perhaps we will some day refer to the year of 1992 as the year we had no spring.

Lewis Short who used to be a Frederic boy who now lives in Muskegon left a book at the *Avalanche* for me to read that is very interesting. It is *Between The Iron And Pine* by Lewis C. Reimann. As he writes about his boyhood in Iron River in the U.P., I find a lot of things very similar to my boyhood in Frederic. I am enjoying it a lot and Thanks Louie for thinking of me.

This late spring is sure slowing down the yard sales each week I check the *Avalanche* hoping to find a long list of sales and find only one or two. Sure hope that changes as soon as better weather gets here.

Ignorant is harsh word to use

This is in reference to the letter opposing the 5th grade going to the high school, printed in last week's issue.

First of all I have a child that will be affected by this proposal. Besides being a little nervous, he also requires medication every two hours. Will I refuse if he is chosen to go — NO. Why, because I do not have a better solution to offer the school board.

I am a firm believer that you should fight for or against something you agree or disagree with, however fight for a better way. I have read letters against this but have yet to hear a better solution offered.

I have disagreed with issues in the school system before, but do not print letters condemning, because when I

have agreed I have not printed letters praising. Something which to me should go hand in hand.

I think ignorant is a rather harsh word to use to judge, but I suppose ignorance is why people choose to judge in the first place. Criticizing one's intelligence should be done by the perfect human being, I've yet to meet one.

Maybe the reason there have not been many parents at the meetings is because they do not have a better solution. This leads me to believe then, that in one woman's eyes, we are all ignorant. I say we all should count on seeing her name on the ballot next time.

Balanced budget law might not work

AN AMENDMENT TO the U.S. Constitution which would force Congress to balance the federal budget each year is receiving a close look in Washington these days.

Is the balanced budget amendment an attempt to establish fiscal integrity in the budget making process? Or is it election year politics?

The most likely answer is that it's a touch of both.

Conservative Republicans have been in the forefront of budget balancing amendments for years, but this time it's a couple of Democrats who are the front men.

Rep. Charles Stenholm of Texas and Sen. Paul Simon of Illinois are the two pushers for the balanced budget amendment. President Bush is on record in favor of one, but Speaker Tom Foley is opposed.

THE STENHOLM-SIMON proposal would require the government to spend no more than it collects each year, unless three-fifths of both the House and Senate vote to override this restriction. If the president would veto the override, then a two-thirds majority could in turn override the president.

Tax increases could be adopted by a simple majority vote in both houses, as at present. In time of war, the entire amendment could be waived by a majority vote of Congress.

If the amendment is approved by the House and Senate, it would be submitted to the state legislatures, and would need approval by 38 of them to become part of the Constitution. The president has no

role in the entire amendment process. Since almost all the states have balanced budget requirements in their own systems, they probably would approve the federal plan, too.

BACKERS ARE OPTIMISTIC

"If we don't splinter off into too many different directions," says Sen. Simon, "we have, I believe, for the first time in the history of the Senate the votes to pass this."

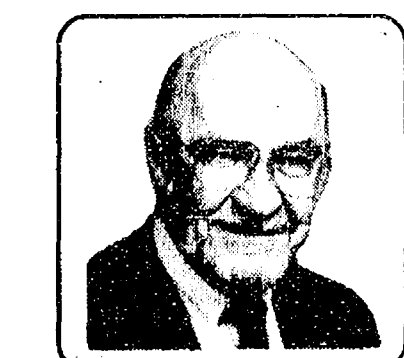

The senate fell one vote short of adopting one in 1986.

Rep. Stenholm points out the political practicalities of the movement.

"Polls show that 70 to 80 percent of the American people want a balanced budget," Mr. Stenholm claims. "I believe that begins to affect the thinking of members who want to return to this body."

Not all voices are in favor of the Stenholm-Simon program. The *Detroit News*, which frequently follows the conservative political line in its editorials, in a recent editorial observed that "the words 'balanced budget' sound nice, but the fine print in the measure suggests that this could turn out to be a tax increase amendment instead."

The *News* pointed out that a similar balanced budget proposal already has received approval from legislature in 32 of the necessary 38 states. The big difference is that the earlier proposal would require a three-fifths vote of both House and Senate before taxes could be raised, instead of the simple majority in the current offering.

Editor's Quote Book

Never bend your head.
Hold it high. Look the
world straight in the eye.

Helen Keller

WHETHER A BALANCED budget amendment would really work is open to question.

Figure shenanigans are par for the course in governmental budget making. Spending programs can be "taken off-budget," which means they can be handled outside the usual process, with specific income set aside for specific spending. That happens all the time. The whole Social Security program is "off-budget," for example.

It's really easy to balance a government budget in the first place. All that's necessary is to over-estimate the expected revenues, and under-estimate the expected expenditures. Presto: The budget is balanced. The reckoning comes after the fact.

Some critics suggest — as does *The Detroit News* — that a requirement to balance the budget clears the way for tax increases. Others argue that government deficits are not always bad, but actually can be useful in spurring or otherwise influencing the economy.

By itself, a balanced budget amendment likely would not work. What is needed is the resolve of those in charge to make government live within its means.

If the will is not there, then a legal requirement won't force a balanced budget.

Ways will be found to spend more — if that's what our leaders want to do.

Mercy Memo

By Mary Jo Conway Community Relations Manager

May 22 will be a significant day in the life of Mercy Hospital. It's the day the staff, volunteers, and physicians will say a final goodbye to Noreen Davis, Chief Operating Officer, following five years of service to the Sisters of Mercy and staff of Mercy Hospital. When Noreen leaves for her new position in Lima, Ohio, we'll feel a sense of loss, but at the same time a gladness that we've had the opportunity to work with such a dedicated, committed, enthusiastic, team-building leader.

When she came on the hospital scene in 1987, Noreen served in the role of Vice President of Patient Care Services for Mercy Health Services North (Cadillac and Grayling). It took a considerable amount of time for the organization to recruit a nursing executive so we had greatly anticipated her arrival. Her first two years were spent primarily with the nursing staffs in both Cadillac and Grayling. The travel time between Cadillac, Grayling, and the corporate offices in Farmington Hills can be exhausting. Noreen took this all in stride, setting an example for other managers, many who were carrying out similar responsibilities as joint directors.

When reorganization occurred in 1989, Noreen was named Vice President of Patient Care Services and Operations at Mercy Hospital/

Grayling. This time she accepted the larger role of operations chief in addition to her nursing executive duties. Change, in this case, was positive. Noreen was able to spend more time in Grayling, nurturing the management team with her consistently upbeat style. She was also able to devote more of herself to community activities.

Noreen filled the role as the hospital leader in a pleasant and respectable way. She joined the American Business Women's Association. Behind the scenes she worked with the Miss Grayling Pageant Committee, a volunteer assignment she took delight in. She was named to the Chamber of Commerce Board of Directors, taking on membership and other committee assignments and eventually being named Vice President of the Chamber. Her son paddled and finished the grueling AuSable River Canoe Marathon twice, and Noreen had the rare experience of being a "feeder" for her son during this uniquely-Grayling event.

Perhaps the highlight of her community career in Grayling was being named as one of the first women to the Grayling Rotary Club. This recent honor was much deserving and a great plus for the hospital because until that time we didn't have representation in this prestigious community group.

Undoubtedly it was the behind the scenes events, those little touches that go unrecognized, that made Noreen special to the Mercy Hospital staff. I'll always remember during a time of personal tragedy, Noreen was right there for me at a hospital 60 miles away. I didn't even know her that well... we had no direct reporting relationship... and yet she was there, offering support and comfort during a time of crisis. And there was another time when she was on vacation in Florida. A manager lost her father to sudden death. Noreen cut her vacation short so she could return for the funeral. And the manager never knew she went to such lengths, "just so I could be there if I was needed." I'm certain there were many other circumstances like this where her sincerity made a difference.

Making a difference is important to Noreen. Without question, Noreen Davis has made a difference in Grayling. When she leaves on May 22, she won't be leaving a hole in the organization because she has built a bridge from the hospital to the community. A bridge that the new Chief Operating Officer, whoever that person may be, can take off and run on.

Thanks, Noreen, for building that bridge. We wish you the best. We'll miss you more than you'll ever know.

THE SAVINGS PLAN THAT'S AS BIG AS LIFE.

Ready or not, here they come — life's big moments.

They may be marriage, your first house, a child going off to college, retirement, but they're all times that change and fulfill... and make extraordinary financial demands.

Getting you ready for those moments is the idea behind a brand new money management service developed by G.S.B. — a savings plan we call P.A.Y.S.

P.A.Y.S. is simple. You determine — and we'll help you if you like — just how much you'll need for that next big moment on your horizon, then calculate how much a month you need to save. We provide you with a unique coupon booklet that you use just as if you were paying off an installment loan or mortgage.

Only difference is the "payments" you're making are to yourself, and, with your savings deposited into a special high-interest account* down the road you're sure to have the money you need for life's next big moment. Guaranteed.

Call it "forced savings" or simply a reasonable way to get yourself saving regularly, but there's no better way we know to make sure your savings are as big as the demands life's going to put on you... ready or not.

Ask about P.A.Y.S. at any G.S.B. office or call 348-7631.

Family Health Day mixes free check-ups with variety of fun activities for children

A variety of free health screenings will be offered to adults and children during Mercy Hospital's annual Family Health Day '92, to be held Saturday, May 16. This event, which attracted over 500 participants last year, is offered as a community service in celebration of National Hospital Week.

Family Health Day '92 is held on the Mercy Hospital grounds. Many of the departments, such as laboratory and cardiopulmonary, are offering free screening services within their areas. Other area health care professionals participate in the event as well, in an effort to provide a broad range of services to all those attending.

Adult services to be offered include blood pressure, height and weight screening, pulmonary function test, oxygen saturation test, blood chemistry (including cholesterol and diabetes screening), dental education, glaucoma screening, colorectal cancer screening, rehabilitation screening, self breast examination education, hearing screening, and prostate examination.

Family Health Day '92 will incorporate many of the events offered during the successful Children's Health and Safety Fair held behind the hospital in past years. Children can participate in the obstacle course, learn about fire safety and poison prevention, or take advantage of the

free dental, vision, hearing, height, weight, and blood pressure screenings. Face painting, balloons, and safety related games will delight children.

New for the children this year will be the "See and Touch" clinic, where youngsters will have the opportunity to see and feel medical instruments used in their doctor's offices. Many of the children's events will take place in the back courtyard area near the new Mercy Child Care Center.

The Mercy Hospital Auxiliary will be on hand for the Teddy Bear Clinic, to be held inside the Mercy Child Care Center. Children are encouraged to

bring their broken and torn teddy bears and other stuffed animals. Auxiliaries will take the broken toys into the "surgical suite" where they'll gently spend time stitching, mending, and otherwise repairing the stuffed toys back to good health. Children will receive a "love heart" for their special toy.

Free health screenings, health, safety, and fun ways to learn for the children, free nutritional snacks and more await during Family Health Day '92. For more information about any of the activities call the Community Relations Department at 517-348-0368.

GHS marketing class visits Grand Traverse Mall

The Grayling High School Retail and Marketing class visited the new Grand Traverse Mall on April 29.

The students toured the J.C. Penney store, learned about displays, advertising and personnel and worked on a retail assignment.

"I found the trip to be probably the best one I have ever gone on for school," said Dawna Fletcher.

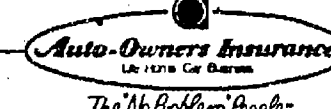

"All the people at the J.C. Penney store were polite and made a great presentation for our class. I really enjoyed being at the mall," added junior Angie Papendick.

The class is taught by business instructor Charles Lyk.

"Where's Bob?" "He's with his Auto-Owners agent."

If you're 55, special car insurance discounts are available from your local Auto-Owners agent.

Obituaries

Florence Lange

Florence R. Lange, 91, of Frederic, died Monday, May 11, 1992, at Mercy Hospital in Grayling. Funeral services were held Tuesday, May 12, 1992, at Sorenson Funeral Home, McEvers Chapel, with Reverend Michael Conner officiating. A Committal Service will be held Wednesday, May 13, 1992, at 2 p.m., at Perry Mount Park Cemetery in Pontiac, with the Reverend John Thorson officiating.

Mrs. Lange was born November 24, 1900, in Detroit. Seventeen years ago she moved from Pontiac to Grayling and she was a homemaker. She was preceded in death by her husband, Richard, in 1962, and by a daughter, Betty Claxton.

Survivors include: sons, Raymond Lange of Grayling and Robert Lange of Pontiac; 11 grandchildren; and 13 great-grandchildren.

Percy Williams

Percy H. Williams, 89, of Beverly Hills, Michigan, died April 30, 1992, at Bedford Villa Nursing Home in Southfield. Funeral services were held Saturday, May 2, 1992, at the Vasu, Rodgers & Connell Chapel of A.J. Desmond & Sons Funeral Home in Royal Oak. Interment was in Oakland Hills Memorial Gardens in Novi.

Mr. Williams was born September 27, 1902, in Stamps, Arkansas. He had been a resident of Beverly Hills, Michigan for 28 years and was also a resident of Lake Margrethe. He retired in 1981 after 50 years as President of P.H. Williams & Son, Architectural Engineers in Beverly Hills. He was a former Grand Master of the Grand Lodge of F.&A.M. of Michigan, and was also a member of the Board of Trustees of the Starr Commonwealth for Boys in Albion.

As a member of the Army Corps of Engineers he helped design and build the Grayling Airport. With his company he added the Aviation School to the airport, which is run by Kirtland Community College. He also designed and built the Grayling Fire Hall and Dr. Hough's Dental Clinic.

He was preceded in death by his wife, Grace.

Survivors include: son, Donald C. (Grace) Williams of Beverly Hills, Michigan; and grandchildren, Chris M. and Kelly S. Williams.

The family suggests memorials to: Starr Commonwealth for Boys, 1327 Starr Commonwealth Road, Albion, MI 49224; or Michigan Masonic Home, 1200 Wright Ave., Alma, MI 48801.

Irene M. Beels

Irene M. Beels, 84, of Grayling, died Wednesday, May 6, 1992, at Mercy Hospital. A Mass of Christian Burial was held Saturday, May 9, 1992, at 11 a.m. at St. Mary's Catholic Church in Grayling, with Reverend Michael Conner officiating. A wake service was held at 7 p.m. Saturday at Sorenson Funeral Home, McEvers Chapel. Burial was in Elmwood Cemetery in Grayling.

Mrs. Beels was born October 14, 1907, in Gent, Belgium. She moved to Grayling 22 years ago from Mt. Clemens. She was a retired secretary for Briggs Manufacturing Company, and was a member of the Mercy Hospital Auxiliary in Grayling. She was preceded in death by her parents, Gustave and Eudoxie (Lommens) Van Schaemelhout.

Survivors include: husband, William J. Beels of Grayling; daughter, Joan and Jack Dempsey of Eaton Rapids; sons, Walter and Judy Beels of New Baltimore and Maurice Beels of Mt. Clemens; seven grandchildren; and two great-grandchildren.

The family suggests memorials to the Mercy Hospital Auxiliary.

Lee Kellogg

Lee L. Kellogg, 82, of Lovells, died Thursday, May 7, 1992, at The Meadows of Grayling. Funeral services were held Saturday, May 9, 1992 at Sorenson Funeral Home, McEvers Chapel, with Dr. Dennis Paulson officiating. Burial was in Lovells Township Cemetery.

Mr. Kellogg was born September 2, 1909, in Lovells Township. He moved to Lovells in 1975 from Bridgeport where he had lived for 35 years. Prior to making his home in Bridgeport he lived in Frederic. He retired from Malleable Ironworks in 1975, and also had worked for Garber Buick in Saginaw.

On September 9, 1932, he married Olive O'Dell in Grayling, and she survives. He was a member of the Lovells Hook & Trigger Club, and UAW Local 455, Saginaw. He was preceded in death by his parents, James and Elizabeth (Hyslop) Kellogg.

Other survivors include: sons, Dale and LeDea Kellogg of Bridgeport and Larry and Doris Kellogg of Haines City, Florida; sisters, Helen Proulx of Lovells, Florence Loftus of Gaylord, and Mabel Crawford and Celia St. John, both of Grayling; brothers, Elmer Kellogg of Fremont and Guy Kellogg of Battle Creek; six grandchildren; and 12 great grandchildren.

The family suggests memorials to the Alzheimer's Association.

Madsen named teacher of year at Las Vegas

Dane Madsen, a 1967 graduate of Grayling High School, was named Teacher of the Year at Bishop Gorman High School in Las Vegas. The school is a Class AAA, with an enrollment of over 900 students.

He received his B.S. degree in education in 1971 from Central Michigan University. He earned his (M.A.) degree from Southwest Missouri State University in 1975.

Dane teaches Theater I, II, and III, Speech, Dramatic Literature, and American Literature.

He is a moderator of the International Thespian Society (Honorary High School Theater Organization).

Productions he directed this school year were, "The Night Thoreau Spent in Jail," and "The No Frills Revue," a musical.

He co-conceived, co-wrote, and directed an anti-drug production, "What Dreams May Come," which was presented at several junior high schools in Las Vegas.

Dane was recognized at center court during a UNLV basketball game at half time.

The plaque he received was inscribed "This recognition is being presented for your excellence under the criteria of education of students... support of student extracurricular activities... and individual efforts within the community."

Dane received his plaque and ring from a representative of 7 Eleven and the University of Las Vegas, sponsors of this tribute to all of the high schools in Las Vegas.

UNLV and 7 Eleven donates \$1000 to the school academic fund in the recipients name.

"Celebration of Quality"

In celebration of National Nursing Home Week May 10 - 17, 1992, we salute the residents and staff of Mercy Manor for the important contributions they have made to our community.

This year's theme emphasizes the critical role long term care plays in the overall health care system in America. In this presidential election year, we are placing a special emphasis on public policy. In addition, we are encouraging residents, families and staff to participate in the political process by voting.

American nursing home residents are the sum and substance of much that has made America great. We believe their lifetime achievements are just cause for celebration.

Michigan Opera Theater returns May 14

The Community Education Program of the Crawford AuSable School District will be featuring the music of Broadway Composers on Thursday evening, May 14, in the Joseph Stripe Auditorium at Grayling High School for its final presentation of the 1991-1992 Cultural Events season.

The singers will be offering renditions from such great shows as "My Fair Lady," "Brigadoon," and "Cats" as well as songs made popular

by Rodgers & Hart. The Michigan Opera Theater Community Singers is an outreach program of the Michigan Opera Theater in Detroit, specializing in presenting children's shows as well as popular music to audiences statewide. Many area residents will recall past performances by this group.

This year, they are featuring a new program. Prior to Thursday evening's performance, the group will be in

residence at the Grayling Elementary School where they will be doing two shows for Frederic and Grayling Elementary School students. This year, they will have with them, the children of the Marquis Theater.

The Community Education Cultural Events series is in its third season of providing area residents with quality cultural experiences. The series is supported by individual area patrons as well as the following businesses:

Chemical Bank North, Grayling State Bank, Grayling Holiday Inn, Grayling Mercy Hospital, and Weyerhaeuser Company Foundation.

Tickets for adults are \$3.75, and for senior citizens and students, \$3.25. They will be available at the door or by calling the Community Education Business Office. Curtain time for this final performance of the series will be at 7:30 p.m.

GHS students host community blood drive

By Kaethe Callewaert

The Red Cross blood drive for May is on its way and will be held Wednesday, May 13, 9 a.m. to 2:45 p.m. in the Grayling High School gymnasium.

Donations are welcome anytime during the drive, however, if possible, the community is asked to come between noon and 2:45. This is due to the large number of student donors who are asked to give before the noon hour.

To be eligible to donate blood the donor must be at least 17 years of age, have proof of age, and weight at least 113 pounds.

It is beneficial to the blood donor to consume a well-balanced breakfast before donating blood.

One out of every four units of blood donated during the school year is donated by a high school or college student.

These facts go hand in hand with the list of new donors from the March blood drive. There were eight new donors and three of those were high school students — Chad Gorman, Laura Renon, and Chad Ventline. The new adult donors were — Rebecca Bond, Ricky Flores, Julie Gottschalk, Barbara Ressler, and Raymond Richie.

Refreshing... power... love... reality — these are a few words that best describe Pam Thum, her life and ministry. Whether she's standing before crowds up to 30,000 or before a room full of hard faced guys in jail, she brings hope and healing.

Pam started singing when she was three years old. From that age her experiences have taken her to 22 countries including South Africa where her concerts drew the attention of the national press. She is an accomplished songwriter, writing for Word and Columbia Pictures. She now writes exclusively for McSpadden Music Group. Pam's song, "We Are An Army," was in the Top Ten and "Halleluia Praise the Lamb,"

nominated for Song of the Year.

Pam Thum will be in concert Sunday, May 17, at 6 p.m. at the Grayling Assembly of God, located on the I-75 Business Loop across from the airport. A freewill offering will be taken. The public is welcome.

Legion Auxiliary's poppies remind Americans of sacrifice

For over 65 years, the American Legion Auxiliary has sponsored Poppy Day to remind America that millions have sacrificed their lives and health to keep our nation strong and free.

The poppy which grew wild on the battlefields of Flanders became, in the minds of the doughboys of World War I, a symbol of the sacrifice which they had endured. It had flourished among the shelled buildings and bomb-scarred landscape. Its brilliant red bloom, so much like the blood which had been shed there, became a sign of hope and renewal for those who lived and walked away. For those who would never leave, those who had sacrificed their lives, it was a perpetual memorial to their bravery.

American veterans brought home that image and planted it with the Auxiliary where it has bloomed every year for the benefit of those who served America.

The Memorial Poppy contributions are devoted entirely to rehabilitation and assistance for veterans and their families.

The Poppies are made of red crepe paper with the American Legion Auxiliary Memorial label on them. They will be distributed in Grayling at the American Legion, M.A.T.E.S., downtown area, Guard camp, Senior Citizens Center, and other places around Grayling. If you are in the downtown area Thursday, Friday, and Saturday, May 14-16, please accept a poppy with the Legion Emblem on them.

You may not think you are helping much, but every little bit adds up to the health care, and needs of our veterans in the V.A. hospitals and other places.

Mac's Drugs Store in Grayling will again be having a window with our many items of the wars, and of course, the poppies.

Boating safety class offered

A boating safety class, is being held at the Grayling City and Township Fire Dept. on May 30. The second day of this class, is on June 6. Time of the class is from 9 a.m. to 11:30 a.m. both days. Please call the Crawford County Sheriff Dept., at 348-4616, for information on this class.

Nominations needed for Cancer Society's Spirit Award

Nominations are now being accepted for the Northern Michigan Region of the American Cancer Society's Corporate Spirit Award. The Spirit Award is presented annually to a business that has given exceptional support to an employee who has had cancer. The nomination may be made by the cancer survivor or a family member. For more information call Betsey Mitchell at 348-8624.

Vikings mercy Onaway twice 11-1 and 16-6

The Grayling High School varsity baseball team won a doubleheader against Onaway on May 8.

In the first game, junior Scott Garner took the 11-1 win in five innings on the ten-run mercy rule.

Onaway's only run came in the first inning from its lead-off man.

Grayling came back to score three in the bottom of the inning. Junior Mike Kirmo led off with a single and walks by seniors Aaron Raymond and Eric Bonamie loaded the bases. Senior Mark Brannan then made it to 1st base

on a fielder's choice, but Kirmo was put out at home plate. Garner was safe on an error by the 3rd baseman to score Raymond and senior Chris Halstead drove a single up the middle to score Bonamie and Brannan.

The Vikings added three more runs in the third inning. Garner was safe on an error, junior Andy Lochner singled and Halstead was hit by a pitch to load the bases. A ground ball by junior Eric LaForest caught Garner at the plate, but junior Mitch McMillan walked to force in Lochner, Kirmo hit a sacrifice

fly to score Halstead and Raymond singled to score LaForest and take the score to 6-1.

Grayling added a single run in the fourth on base hits by Bonamie and Brannan and an R.B.I. single by Lochner.

In the fifth inning, the Vikes scored four runs. Lead-off hitter Kirmo was walked, then stole 2nd and 3rd bases. Raymond was safe at 1st on an error by the short stop, who couldn't handle his grounder. Then Bonamie hit a three-run homer.

With nobody out, Brannan walked and stole 2nd. He moved to 3rd on a ground out by Garner and scored on Lochner's single to center field.

SECOND GAME

LaForest pitched the whole game for a second mercy, 16-6.

The Cardinals scored two in the first inning.

Grayling tied the score in the bottom of the inning. Kirmo walked, then stole two bases. Raymond singled to drive in Kirmo, Bonamie followed with an infield single and Garner hit a sacrifice fly to score Raymond.

The Vikes went ahead, 4-2, in the second inning. LaForest walked and moved to 2nd on a passed ball. Junior Nathan Mead walked with one out, then both runners stole. LaForest scored on a Kirmo sacrifice fly. Mead scored on Raymond's ground ball to short. Bonamie added a single, but was stranded on base.

Onaway added one in the third to make the score 4-3.

Grayling scored two in the third to take it to 6-3. Garner was hit by a pitch. He stole 2nd, moved to 3rd on a passed ball and scored on Lochner's fly ball to right field. Then LaForest hit a long home run into the trees behind the left field fence.

The Cards tied it in the fourth to take the score to 6-6.

Grayling answered in the bottom of the inning with five runs on two outs. Bonamie stole 2nd, Brannan was safe on a short stop error, the pitcher balked to score Bonamie, Garner hit a double to score Brannan, junior Clem Lochner singled to score Garner, LaForest was safe on an error by the left fielder to score Lochner and junior Steve Branch singled to drive in LaForest.

The Vikings added another five runs in the fifth inning. Kirmo led off with a double, then stole 3rd. Raymond walked and stole 2nd. Bonamie walked to load the bases. Brannan singled to left field to score Kirmo and Raymond and move Bonamie to 3rd. Brannan stole 2nd, then junior Caleb Casey (pinch hitting for Garner) was safe on an error by the 3rd baseman to score Bonamie and Brannan and take Casey to 2nd. C. Lochner and LaForest walked to load the bases and Branch

singled to left to score Casey, ending the game at 16-6.

KALKASKA GAMES

The Vikings split with the Blue Blazers on May 6.

Grayling snuck past Kalkaska, 7-6, in the first contest to give Kirmo the win.

Kalkaska opened the scoring with two runs in the first inning, a singlerun in the second and three in the fourth for a 6-0 lead.

Grayling battled back with two in the fourth on consecutive base hits by Garner, A. Lochner and Raymond and a double by Halstead.

The Vikings made it 6-3 in the fifth. Bonamie singled with one out. Brannan walked and Bonamie scored on a ground out.

They scored two more in the 6th. Raymond hit a lead-off single. Halstead singled and McMillan singled to drive in Raymond. Kirmo walked and Halstead scored on a ground out. "Kirmo was pitching really well now and Kalkaska didn't do much after the fourth," said Coach Fred Wolcott.

With Grayling trailing by one in the seventh, A. Lochner led off with a single. Raymond hit a sacrifice bunt to move Lochner to 2nd. With two outs, LaForest hit a hard ground ball to 3rd, but was safe on 2nd on an error that also scored Lochner. McMillan struck out but was safe at 1st on an error, also scoring LaForest and winning the game for the Vikes, 7-6.

SECOND GAME

The second game of the afternoon was a 20-2 defeat by the Blue Blazers with Casey picking up the loss.

Kalkaska scored 12 runs in the first inning and "we just never got back in the game," said Coach Wolcott.

Only two Grayling batters, Brannan and Mead, got hits in the game.

ROGERS CITY GAMES

The Vikings didn't fare so well in their May 5 games against Rogers City.

Garner took a 9-2 loss in the afternoon's opener.

McMillan, Garner and A. Lochner were the only Grayling hitters with one apiece.

"We just played sloppy defense,"

said Wolcott.

LaForest was the losing pitcher in the Vikings' 10-9 loss in the second game.

The Hurons scored two in the first inning and four in the second.

Grayling answered with one run in the bottom of the fourth on a walk by Brannan and a single by Garner to score the runner.

The Vikings scored seven in the fifth to go ahead, 8-6.

Mead led off with a walk. Branch singled, Kirmo walked, McMillan singled and Bonamie singled (for two R.B.I.s), Brannan singled and Garner hit a sacrifice fly for the first out.

C. Lochner singled to drive in two, Raymond singled and—with two outs—Branch singled again to drive in a run.

Twelve Viking batters went to the plate in that inning, said Wolcott.

Rogers City scored three in the bottom of the fifth to make it 9-8 and added another run in the 6th for a 10-8 lead.

In the seventh inning, Garner led off with a single, C. Lochner pinch hit for a single and junior Loren Lugviel pinch hit for a single to drive in Garner and take the score to 10-9.

Casey singled to load the bases, but the Vikings—with no outs—failed to score again.

"At Rogers City, I thought we were really ready to play," said Wolcott. "They had a good pitcher and the kids were really pumped up. He didn't play, which made the kids breathe a sigh of relief and lose their intensity. They came back in the second game."

He said that throughout the week, the Vikings improved their base running and defensive play.

"It's getting to the point where we could do something in the tournament if we continue to play like we're playing." (The Vikings face Houghton Lake later in the month in a pre-district game.)

Grayling's record stands presently at 6-5 and 2-2 in the Lake Huron Division of the Great Northern League.

They travel to Lincoln-Alcona on Friday, May 15, and host Whittemore-Prescott on Tuesday, May 19, at 4:30 p.m. Both are conference games.

BIG WINS LAST WEEK--Senior Eric Bonamie takes a swipe at the ball during the second game of the varsity Vikings' sweep of Onaway last Friday. Grayling beat the Cardinals by the mercy rule in both games.

PITCHING IN RELIEF--Freshman Shane Hinkle relieves starter Chris Wolcott, sophomore, in the junior varsity team's loss to Gaylord last week. Freshman Charlie Kucharek is playing at 1st base.

JV boys come back to beat Kalkaska 8-6 at home

The Grayling High School junior varsity baseball team played back-to-back doubleheaders last week, splitting with Kalkaska on May 6 and losing to Gaylord on the 7th.

The Vikings won one game, 8-6. "They played a good game," said Coach Bill Klinger. "They came up with the routine play and some timely hitting."

Sophomore Travis Eddy, the winning pitcher, pitched a "strong game, giving up only five hits to earn the victory," said Coach Klinger. "The team gave him good support in the field—especially outfielder (sophomore) Jeremiah Blaauw."

Grayling fell behind, 5-0, but took the lead in the bottom of the second, 7-5. Good defense and pitching gave the Vikings the opportunity to keep the lead and hold on to the victory, said Klinger.

Hitters included Blaauw, two hits, one R.B.I.; freshman Chris Jones, one hit, one R.B.I.; sophomore Chris Wolcott, one hit, two R.B.I.s; freshman Steve Bugyi, one hit, two R.B.I.s and Eddy, one hit. Freshman Shane Hinkle and sophomore Josh Wells also drove in one run each.

GMS track team wins 11 first places at meet

Members of the Grayling Middle School track team turned in winning performances at the dual meet against Kalkaska on May 6.

Taking 1st places were: Andy Perrin (8th), long jump and 400m dash; Chris Kucharek (8th), 800m run; Corey Northrop (8th), 1600m run; and Nick Schreiner (8th), 100m dash and 70m dash; Amy Neal (8th), shot put; Jenny Wilkins (8th), high jump; Nikki Siwula (8th), 1600m run; Angie Floriano (7th), 200m dash; Trisha Ormsbee (8th), Jessica Waite (7th), Siwula, Renee Meehan (8th), 1600m relay.

Placing 2nd for GMS were: Jason Thompson (8th), 3200m run; Kucharek, 400m dash; Perrin, 200m dash; Stacie Mead (8th), 800m run; Meehan, 1600m run and Wilkins, 100m dash.

Team members who placed 3rd included: Jason Hatfield (8th), 3200m run; Mike Knight (7th), 55m hurdles and 100m hurdles; Thompson, 800m run; Jennifer Richardson (8th), shot put; Julia McAnallen (7th), 55m hurdles; and Mead, 400m dash.

Best Busters (members who beat their own previous bests) included: Hatfield (two events), Thompson, Kucharek, Schreiner, Knight, Scott Stadel (7th), Amy Neal (8th), Richardson, Mead, Meehan, Cheryl McCurdy (7th), Michelle Dunckley (7th), Jaymie Brannan (7th), Rachael Porter (7th) and Jessica St. Germain (7th).

"I was very pleased with the performance of Amy Neal, who broke a school record in the shot put with a put of 31 feet, one inch. It was formerly 29 feet, nine and one half inches, set in 1989," said Coach Ellen Thompson. "Jenny Wilkins took a 1st in the high

SECOND GAME
The Vikings fell, 3-1, in the other game of the afternoon.

Grayling played very well in a close game, said Klinger. The team made the routine play and caught fly balls to keep the game close. However, they made two errors that led to Kalkaska's three runs, despite playing better defense.

Freshman Chip Waite, who struck out four batters and only gave up three hits, pitched "a good, solid game," said Klinger. "By far, it was his best performance. He is getting stronger each game and he is going to be a very good pitcher."

Hitters included Hinkle, Bugyi, Eddy and freshman Randee Flowers, each with one.

Hinkle, Eddy and Bugyi played well in the outfield, said Klinger.

GAYLORD GAMES
Errors plagued the JV squad again on May 7, when they fell to Gaylord, 10-3.

The team "played a good game, except for the second inning when two errors gave Gaylord a chance to score five unearned runs for a total of seven and take an 8-0 lead. Grayling came

back in the third to score three, but couldn't get any closer," said Klinger. Waite took the loss for Grayling.

"He pitched a good game, but Grayling couldn't come up with the play when needed and Gaylord got the big hit," said Klinger.

Leading hitters were Hinkle with two (and two R.B.I.s) and freshman Scott Baker with one (and two R.B.I.s).

"Chris Wolcott played a good game at short stop and Scott Baker turned in a good performance behind the plate," said Klinger.

SECOND GAME
The JV Vikings were defeated, 16-6, by the Blue Devils in the other contest.

"This was a good game," said Klinger, with the score being 10-6 after four innings. Gaylord scored six runs in the fifth to seal the victory."

Wolcott took the loss.

Leading hitters included freshman Tony Dobry, two hits, two R.B.I.s; Wolcott, one hit, one R.B.I.; Baker, one; Jones, one; Eddy, one hit, one R.B.I.; and sophomore Paul Hartman, one hit, two R.B.I.s.

Klinger said that Flowers turned in a good game at short stop and also drove in a run.

He added that in the previous week's game against Whittemore-Prentiss, Wolcott had two hits, including a home run, to drive in four runs for the Vikings.

The Vikings host Lincoln-Alcona on Friday, May 15, at 4:30 p.m. in their final home contest of the season.

Girls beat Kalkaska 7-5

The Grayling High School varsity softball team split a doubleheader with Kalkaska on May 6.

The Blue Blazers took the first game, 10-8, and Grayling came back to win the second, 7-5.

"It was an excellent doubleheader for both teams," said Coach Rebecca Brown. "Both hit the ball well, pitched well and made few errors."

Kalkaska's starting pitcher came into the second game having thrown four no-hitters. But junior Sara Palmer cracked a double in the first inning and it was a swing-for-swing battle from that point on, said Coach Brown.

Junior Tia Long took the win with senior Andrea Austin earning the save in relief.

Craigie took the loss in the first game despite not giving up any base-

on-balls and pitching well, said Brown. Junior Elissa Cox, sophomore Mande Micek and Palmer, along with junior catcher Gina Lupp, sparked the Viking defense, said Brown.

Junior Sarah Micek led the defense in game two with seven put-outs.

"It felt great to win and even better to compete equally against a strong ball club. Our team's confidence needed that boost," said Brown.

ROGERS CITY GAMES

Grayling was defeated by Rogers City twice on May 5.

"Grayling was plagued by errors," said Brown. "Austin, Long and Craigie pitched well, but the defense wasn't there to back them up as often as we needed. (Junior Patty) Puls and Lupp did a good job behind the plate and Palmer and Cox hit well off quick

Rogers City pitchers."

GAYLORD GAMES

It was the same story against Gaylord on May 8 as the Vikings fell to the Blue Devils, 14-0 in game one and 12-2 in game two.

Excellent Gaylord pitching in the first game allowed Grayling only four hits—by Cox, junior Laura Renon, M. Micek and Long.

Blue Devils are ranked among the state's top five Class B schools.

The varsity Vikings travel to Lincoln-Alcona on Friday, May 15, and host Whittemore-Prentiss on a 4:30 p.m. contest on Tuesday, May 19. Like Grayling, both schools are members of the Lake Huron Division of the Great Northern League.

JVs outslug Lincoln-Alcona 31-29

The Grayling High School girls junior varsity softball team beat Lincoln-Alcona, 31-29, in their first game on April 28.

"They started to perform as a team, with good communication among the fielders," said Coach Lori Johnson. "They had 17 hits. There were fewer errors made in the field, but some costly errors in running the bases."

Freshman Nicole Parker pitched four innings to take the win, but was injured and replaced by sophomore Heather Guzman for the final two innings.

The second game was called after two innings, due to night fall. Sophomore Jennifer Fassinger started the game at pitcher.

"The team is pulling together," said Coach Johnson. "They are making improvements in the basic fundamentals of the game."

WHITEMORE GAMES
The Vikings fell to Whittemore-Prentiss, 31-3 and 13-0, on May 1.

Fassinger pitched the first game and sophomore Sandra Pittman made her first start in the second.

"We had good pitching from both girls, but many costly fielding errors made for a couple of very long innings," said Johnson. "We have to make better defensive plays, but that just takes practice."

"The team is improving with experience," she continued. "They keep their chins up when the going is tough. We've lost three players to injuries. They found it to be a challenge to hit off a faster pitcher."

KALKASKA GAMES

Kalkaska dominated the play on May 6, defeating Grayling, 28-2, and 28-6.

Fassinger pitched the first game and Pittman, the second.

"The team had a real down night," said Johnson. "They had difficulties fielding and hitting the ball. They just didn't play together as a team."

"There were numerous fielding errors, which just takes practice and playing experience to iron out. They were finding it hard to make the third out of the inning."

GAYLORD GAMES

It was another tough night against Gaylord on May 8, when the junior varsity squad was beaten, 21-0 and 18-8.

Fassinger pitched the first game with freshman Trish Straw at catcher. Pittman pitched the second with Fassinger at catcher.

"The team is making gains, both offensively and defensively," said Johnson. "Team members are working

on individual goals that make the total effort and team communication flow together much smoother."

"They played much better than Wednesday against Kalkaska," she continued. "The fielders backed up the good pitching, but we just came up short."

The JV team hosts Lincoln-Alcona on Friday, May 15, at 4:30 p.m. and travels to Whittemore-Prentiss on Tuesday, May 19.

New football league starting for 6-8 grade

The Grayling AuSable Football League (A.F.L.) is now taking applications for all boys who will be in the 6th, 7th, or 8th grades this fall. Sixth graders must be 11 years old by August 1st to be able to play.

The A.F.L. is a tackle football program new to the Grayling area, and is affiliated with the Stanley A. Machulis (S.A.M.) Youth Football League. Other teams in the League are from Oscoda, Mio, Roscommon, West Branch, Arenac, and Standish.

The games will be played on Sundays and practices will be held at the varsity practice field behind the high school.

Tryouts for the team will be held Saturday, August 1, through Wednesday, August 5, at the varsity football field in town. As there are only 35 sets of football gear, the team will be cut to 35 from the number of players trying out.

Each boy, unless covered by a family insurance plan, is required to pay a non-refundable \$7 insurance fee prior to tryouts. This will cover the player in case of injury. If the boy is covered in a family insurance plan, this fee is waived. There is a \$25 participation fee for all members who make the final cuts, minus any paid \$7 insurance fee.

Boys trying out for the team will be judged on their ability, agility, attitude, hustle, speed, stamina, and team spirit. They also will be timed in the 20-yard, 40-yard, 100-yard dashes, and 440-yard and half-mile run. Additionally, each member is expected to give a 100% effort in the fund raiser. Money earned will be used to purchase equipment for the team.

All members of the team will be provided with full football clothing, including mouth guard, helmet, shoulder pads, jersey, pants, and all padding. Players will furnish their own cup supporter, and football shoes (metal cleats not allowed).

If your son would like to try out for the team, please obtain a registration form from the R & H Sports Shop, complete it including the doctor's consent statement at the bottom and return the form to the R & H Sports Shop by Friday, May 29. Along with the following: 1-\$7 insurance fee or photocopy of hospitalization insurance, and 2-Photocopy of birth certificate, or other birth documentation. No registration fee necessary until final team cuts are made.

Verse or Worse

By Joe Murphy

Peaks and Valleys

You can compare the road of life to a mountain trail
That crosses over the tall mountain's crest
Where the struggle to climb the lower foothills
Prepares you for that final test

There's a series of lower peaks and valleys
That one must travel along life's road
That will test the mettle of brawny men
That may carry too heavy a load

Some will struggle up the road of life
With a heavy load upon their back
Trying to travel those peaks and valleys
With a lot of excesses in their pack

Some stagger and fall along the roadside
And lay there pleading to those who pass them by
To help them carry their heavy load
And their every want supply

Instead of getting rid of the nonessentials
That make up their heavy load
They spend their lives in strain and struggle
Along life's steep and rocky road

It is those who carry the bare essentials
That make their pack as light as they can
Who can choose between nice and necessary
And take the time to study and plan

They are the ones who reach the heights
That stand there at the mountain's crest
It is those who live without all the luxuries
That pass life's final test

Pet Care Tip

Puppies are notorious for chewing their owners' favorite shoes and slippers. When they begin to get their permanent teeth, they need something to chew on, says the National Humane Education Society.

There are many possibilities:

An old leather belt with the metal portions cut off can be knotted at the ends to form a chew.

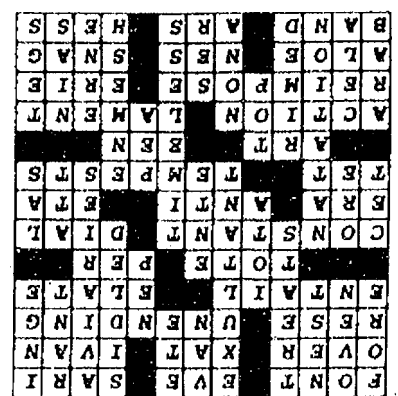

A worn-out baseball glove is ideal if it's washed before being given to a pet.

An old, clean tennis shoe with the shoelace removed is good.

A rubber softball or a used tennis ball will provide additional exercise because they can chew it, toss it, chase it and play with it.

Tommy Thompson returned Friday from Alma, after spending several days there on business.

Mrs. Norman May of Mt. Pleasant spent the weekend with her mother, Mrs. J. E. Bugby.

The Robert Strong family spend the weekend with Mrs. Strong's parents, Mr. and Mrs. C. J. Elston, in Flint. Also present were Capt and Mrs. Thomas J. Elston and son, Tommy Jr. of Detroit.

Mr. and Mrs. Norman Madsen and little daughter, Carmen, arrived in Grayling Sunday, to make their home here at present in one of the Welsh apartments. Madsen is one of the new pharmacists at Mac's Drug Store.

Mr. and Mrs. Stanley Stephan of Cadillac spent Mother's Day with their respective mothers, Mrs. George Stephan and Mrs. Signe Randolph.

Just for the record, quite a little snow fell in Grayling Sunday afternoon.

Mr. and Mrs. Larry Frymire of East Lansing spent the weekend with her parents, Mr. and Mrs. Harold MacNeven.

Paul Holmgren left for Saginaw Monday, where he will serve his apprenticeship with a funeral director.

The Kenneth Ashton family have purchased the Frank Schmidt house on Chestnut St. The Schmidt family plans to occupy their cottage at K.P. Lake.

Weekend guests of Mr. and Mrs. Claude Cardinal were their daughter, Wanda, and Mr. and Mrs. Harvey Mattoon, of Pontiac, and Mr. and Mrs. Albert Sly and son, Tommy, of Dearborn.

Bobby LaMotte celebrated his ninth birthday on May 10, and several boys

and girls were on hand to help him. Bobby is the son of Mr. and Mrs. Robert LaMotte.

Mr. and Mrs. Elmer Birdsall spent the weekend in Detroit and were accompanied home by Mrs. Horace Shaw.

Henry B. Smith Jr., of Bay City, and owner of Camp Ginger Quill on the AuSable near Grayling, was elected to the office of president of the Bay County Memorial, an incorporated trust, last Friday.

Miss Yelive Stephan, daughter of Mr. and Mrs. Theodore Stephan, was united in marriage in a simple but lovely ceremony Saturday, May 11, to N. A. Skotnicki of Erie, Pennsylvania. Yelive is a graduate of Grayling High School and served in the WAVES for about two years.

Louis and Francis Annis of Midland visited their parents, Mr. and Mrs. Homer Annis.

Gordon Jerome of Big Rapids is a new pharmacist at Mac's Drug Store. Jerome's wife and children will join him in Grayling as soon as a place to live can be found.

Mr. and Mrs. A. W. Mangsen of Detroit are spending the week at their cottage at Danish Landing, getting things in order for the summer.

Mr. and Mrs. Ernest Larson and Mrs. John Burke spent the weekend as guests of Mr. and Mrs. Nelson Vollmer in Dearborn and attended a family reunion of the Larson family in Romulus, Sunday.

Mrs. Myrtle McPhail is spending some time in Ohio.

Mrs. George Granger, Mrs. Frank Bond, Jimmy and Joan Bond, Rex Hunter, and Dick Souders spent Saturday in Traverse City.

Hospital day—Saturday, May 12, was a big day in Grayling. Right from the beginning the big idea of raising funds, took with a lot of enthusiasm. Besides the press publicity given it, hundreds of handsome posters were made by the school children. Prizes of \$1 each were offered for the best poster in each grade from the 4th grade to the high school. The first prize went to Eric Rosenstand and second prize to L. D. Bowles and Russell Mitchell, who did the work together.

Other prize winners were Margaret Fehr, Grace Parker, Gerald Willitt, Helen Lietz, Mabel Green, L. D. Boles, and Russell Mitchell, Loretta Sorenson, Jerome Kessler, Mabel Isenhauer, Ada Kidston, and Edward Mason. The judges were Supt. B. E. Smith, Mrs. O. P. Schumann, and Miss Genich.

At 1:30 the auto parade started headed by John Bruun, marshal of the day, and Vincent Grandjean, each mounted upon a handsome bay saddle horse. Next in line came Holger F. Peterson, president of the Board of

Your Horoscope

Everyday spending has gotten out of hand; budget carefully. Long-distance calls cause more than monetary problems.

PISCES
Feb. 19-Mar. 20

Someone in authority has put in a good word for you. Your hard work is about to be recognized.

Trade, and T. W. Hanson, chairman of the Hospital Drive. Following was a long line of cars, nearly all of which were fittingly decorated with flags and banners. One large float was all in white with the words "Mercy Hospital" in large red letters on each side and reaching the full length of the car. Misses Kristine Salling, Beulah Collen and Beatrice Hoesli, dressed in white nurses' uniforms rode in a group upon the white platform of the float.

Two teams made up of local players put on a ball game to help swell the funds for Hospital Day. Following is the line-ups:

The Giants won by a score of ten to

eight.

In the evening there was a dance at the school gymnasium. Several entertainment numbers were given, as follows: Vocal trio, Misses Gneich, Bates, and Gideon; solo, Mrs. Roy Milnes; male quartette, John Phelps, Edward Trudeau, Emerson Brown, and Guy Bell; violin solo by Herman Hanson; fancy dancing by Margrethe and Ella Hanson. Each number was greatly enjoyed and encored. The music for the dance was furnished by Schran's orchestra and was especially good.

The financial success of the drive is partly due to the work of some of our ladies, Mrs. Henry A. Bauman as chairman, and committees who sold dance tickets. Roscommon County helped swell the proceeds by buying tickets and giving outright donations. Following is the financial statement: Receipts from lunch served at school, \$35.25; from cone and hot dog sale, \$41.15; balloon sale, \$46.93; ball game \$88.95; ticket sale, \$485.45; personal contributions, \$1,617.75. Total receipts: \$2,314.48.

The Bible Speaks

From The
Calvary Baptist Church

Mother's Day

Last Sunday was Mother's Day. Yet, a mother's greatest day is the day she becomes a mother. Becoming a mother is the result of a series of personal choices. The first important choice for a young girl is between virginity and vulgarity. With the danger of over 50 venereal diseases, this may be her first life and death choice between health and sickness.

Her second important choice toward motherhood will be her choice of a husband. The establishing of this one flesh union is the most important natural choice a young girl makes in life. "Therefore shall a man leave his father and mother, and shall cleave unto his wife: and they shall be one flesh." (GEN 2:24). This one flesh union is consummated in the sex act. This one flesh union is manifested in the birth of their first baby. The child is one flesh, combining the genes of both parents into one individual.

Being a mother involves more than marriage and childbirth. It involves

much labor. As someone once said, "If it was going to be easy to raise kids, it never would have started with something called labor." The Bible calls it travail. It is exertion which is usually difficult and exhausting. Only the joy of birth can compensate for the pain of labor. But mother's labor doesn't end with childbirth. As someone has said, "Motherhood is full of frustrations and challenges . . . but eventually they move out." Raising children involves continual education and discipline. "Train up a child in the way he should go: and when he is old, he will not depart from it." (PRO 22:6). Her efforts result in pride or shame. "The rod and reproof give wisdom: but a child left [to himself] bringeth his mother to shame." (PRO 29:15). Mother and grandmothers are extremely important in building up faith in the next generation. (2 TIM 1:5).

Motherhood is a gift from God. "He maketh the barren woman to keep house, [and to be] a joyful mother of children. Praise ye the LORD." (PSA

113:9). "Lo, children [are] an heritage of the LORD: [and] the fruit of the womb [is] his reward." (PSA 127:3).

Mothers who fulfill their calling well are worthy of honour. "Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee." (EXO 20:12). "Honour thy father and mother; which is the first commandment with promise." (EPH 6:2).

Mothers communicate the building blocks of civilization. The success of the home is necessary for the success of the church and the government. Mothers should be restored to their biblical place of responsibility and dignity.

ST. FRANCIS CHURCH "THREE-PEATS"—St. Francis Episcopal Church squeaked by Michelson Memorial United Methodist Church by one point in the final tournament round of the church league finals to win the tournament for the third consecutive year. St. Francis also won the league championship for the third year, going undefeated. Top row, left to right: Coach Dave Vogel, Kristen Smock, Bob Smock, Chris Johnson, Marc Harland, Joe Arwood, Mike Harland. Bottom row: Clyde Holzbauer, Guy Quigley, Pat Kucharek, Jessica Wise, Bill Dean, Zackery Dean, Brandon Walsh, Rick Harland, Derik Roy. Not pictured: Tim Krey, Paul Brunell, Rick Longendyke, Paul Olson, Larry Bird. This year's teams included St. Mary's Catholic Church, Michelson Memorial United Methodist Church, and Grayling Assembly of God Church. Derek McEvers, Larry Raymond, and Terry Wakeley helped with refereeing.

One who is not familiar with the Los Angeles Freeway might experience quite a quandary in attempting to navigate such a myriad of directions and exits. Yes, a map would be of great assistance.

Do you ever feel that your life is just as puzzling? Kenyon A. Palmer has referred to the Bible as "God's Road Map". Truly, we need a daily guide to assist us in our choices of the paths we must travel in the course of our lives.

God is our guide. Psalms 119:105 says, "Thy Word is a lamp unto my feet, and a light unto my path". The Bible also assures us that the Word of our Lord is "the way, the truth, and the life".

Which exit to heaven? "God's Road Map" is available to each of us. Learn to read it more effectively as you worship in God's house each Sabbath. There, you shall find direction.

The Meadows Of Grayling News

By Carolyn Poll, Activity Director

This week we continue celebrating Nursing Home week. On Wednesday, May 13, we are having a picnic party with outdoor grilled hamburgers and hot dogs with all the other picnic items. Following the picnic the Grayling Senior Dance Club will be in at 1:30-3:30 p.m., dancing to some of our favorite tunes.

Thursday, May 14th, the Cadillac Kitchen Band will play some spring time music with refreshments following. Friday at 1 p.m. the residents will have the opportunity to take a tour around town in a limousine.

If you see them wave "hi."

Saturday Peggy will play Bingo with the residents and Pastor Jim Rice will be in at 6:30 p.m. for Bible study. Monday will start a new week for us with Tootie and Bonnie.

Please do not forget us during your spring cleaning. Any unwanted items such as perfumes, stuffed animals, jewelry, wallets, billfolds, or other items would be appreciated for Bingo prizes to the residents. There is also a drop box inside Northland Credit Union (Wurtsmith Credit Union) for items. Please see us.

NOTICE 1992 COOPERATIVE GYPSY MOTH SUPPRESSION PROGRAM

To: Property owners or those in possession or control of property in the Townships of Lovells, Grayling, Maple Forest and Garfield, of Crawford County.

Certain areas have been selected and qualify for treatment to suppress gypsy moth caterpillar populations in Crawford County. Treatment for suppression will be the aerial application by fixed wing aircraft, of the biological insecticide BACILLUS THURINGIENSIS to forested training and recreational areas. Application will take place in late May or early June when weather and conditions are suitable for optimum effect.

The intent of the program is to provide reduction in defoliation by the gypsy moth caterpillars in training and recreation areas, and provide relief of nuisance by the caterpillars in those areas. Effectiveness will vary due to infestation levels and timing of application. Eradication is not possible and should not be expected.

An Environmental Assessment and maps of the areas to be treated are available for public view at headquarters, Camp Grayling, during regular business hours.

Additional information can be obtained from Major Tibor Lanczy, Camp Grayling Facility Engineer, 517-348-3708, or 800-628-5820.
